FOG Approval No. 59-1
Contract No. BC-450

Reference is made to your letter LN 643 dated 20 May 1959 which requested approval for flight testing Camera "B" #11 with Lens #13 at Edwards AFB to determine whether the lens will produce acceptable quality negatives.

STATINTL

You are hereby authorized to proceed with these tests. It is understood that the tests will be accomplished by [REDACTED] and [REDACTED] and that they should take from two (2) to four (4) days to complete. [REDACTED] at Edwards should be contacted for scheduling purposes. The cost of this service should be charged to Customer No. 2 under this contract.

STATINTL

[REDACTED]
Lt. Colonel, USAF
